Profile

I'm a developer with non-commercial experience (Pet projects) in building websites for small and medium sized businesses.

I want and can be useful in creating SPA minimal or large multi-page projects. And I continue to learn new technologies and to deepen the experience that I have already learned

I'm experienced in HTML and CSS 3, JavaScript, Vue3, React.
I will be happy to accompany your project both on a long-term basis or one-time work.

Personal communication is really important to me, so let's keep in touch!
