Certification

Beetroot Academy
Front-End Developer
February 2022 - July 2022
<http://surl.li/epwvt>

Past experience

I have experience in business at the head of unit level:
Director Of Business Development,
Sales Director, Head of Claims department.

Profile

I'm a React developer with small experience (Pet projects), but I want and can be useful in creating SPA minimal or large multi-page projects. I learn new technologies and to deepen the experience that I have already learned. I'm experienced in HTML and CSS 3, JavaScript, Vue3, React. Personal communication is really important to me, so let's keep in touch!

Experience

Junior Front-End 2022 - 2023
Pet project Kiev

Skills and expertise:

1. Experience with React, Redux, React Router, React Hooks.
2. Experience in designing project architecture.
3. Experience in using the following libraries:
 - Official EmailJS SDK for Browsers, React Show More, react-burger-menu, React, Icons, ReactJS component to render a pagination, react-google-maps, Redux Toolkit, Axios, React Hook FormFeedback, React Router DOM, react-tabs, Firebase, i18n.
